

**Loudoun County has purchased 5 new transit style buses. These are 40 passenger buses designed for shorter commutes such as the commuter bus services connecting to the Silver Line. The purchase of these buses has allowed staff to improve the reliability of the metro connecting services by removing the services from the commuter buses that are currently serving Rosslyn, the Pentagon, Crystal City and Washington DC.**

\* These buses bypass the Dulles North Transit Center.

\*\* These buses go directly into Rosslyn & DC – they do not stop at Leesburg or at the Dulles North Transit Center.

**Loudoun County has purchased 5 new transit style buses. These are 40 passenger buses designed for shorter commutes such as the commuter bus services connecting to the Silver Line. The purchase of these buses has allowed staff to improve the reliability of the metro connecting services by removing the services from the commuter buses that are currently serving Rosslyn, the Pentagon, Crystal City and Washington DC.**

**Additionally, the proposed PM Schedule Changes when Silver Line Begins are as follows:**

1. Dedicate the old 803D to Dulles North (New 702) – this bus will now flip back to run the 822, which should put that run back on schedule
2. Dedicate the old 804D (New 803) to Leesburg, Harmony & Purcellville.
3. Added 19th & H St NW and 19th & E St NW to the 804 to provide standee relief on the old 803D & 804D (the new 702 and new 803).
